

# Playgrounds

*BY SUPERIOR RECREATIONAL PRODUCTS*

Childhood is about more than having fun — it’s about exploring the world, challenging growing muscles, and using imagination in new ways. It’s proven that children need unstructured play to grow and develop into happy, healthy, well-adjusted people. That’s why, at SRP, we help children grow by personalizing play. Are you ready?

**Let’s go play!**

• BUILDING YOUR •  
**Environment**

Our mission is to help you play, relax, and live by utilizing all of our product lines. Explore our products that include playgrounds, shade, shelter, and site amenities. By doing so, we are able to create complete outdoor recreational environments that **cultivate community, enrich lives**, and allow people to focus on **what matters most**.

## • PLAYGROUND •

# Materials

At Superior, we only use quality playground materials — whether purchasing a **steel** or **recycled** structure. Manufactured at our west Georgia manufacturing facility, **our playgrounds are proudly made in the USA.** Our playgrounds are built to last and will provide fun for years to come.

### A. UV Ray-Blocking Shade

Our shade fabric blocks 91% – 98% of harmful UV rays, depending on the color you have chosen to accompany your play structure. Some of our fabric choices are CFM certified. See page 164 for more information.

### B. Powder Coated Galvanized Steel Posts

Best in the industry, our steel posts are coated with 3 mils of zinc rich primer and 3 mils of superdurable powder coat. These 6 mils protect your playground from discoloration from the sun and salt (in coastal regions).

### C. Improved Post Caps

It's more than a pretty post cap. This super-tough post cap is designed to better restrict water access to protect and extend the life of your posts.

### D. Punched Steel Decking

SRP's decks are formed from 12-gauge hot-rolled steel body. The decks are then finished with a PVC textured coating for increased foot traction and support.

### E. Rotationally-molded Plastics

Plastics for our slides, tubes, climbers, and such are made of 3/8" thick low density polyethylene (LDPE). Superior's plastics are also armed with anti-static inhibitors and UV stabilization to reduce fading.

### F. Stainless Steel Hardware

The hardware and fasteners we use on playgrounds are stainless steel; very limited exceptions apply. To allow for efficient installation, all hardware is packaged and labeled individually.

### G. HDPE Panels

Our strong 3/4" thick, textured high density polyethylene material is used on activity panels, signs, tables, and even some climbers. The HDPE panels are UV stabilized to remain bright and colorful for years of use.

**Children's Academy of Newnan**  
Newnan, Ga.

• REIMAGINE PLAY WITH OUR LINE OF •  
**Recycled Playgrounds**

**Recycled**

Every **pound** of recycled plastic lumber equates to **8 recycled milk jugs**.

The structural components of our recycled playgrounds are made from reclaimed post-consumer plastic products such as milk jugs, other beverage containers, plastic bags, and many other everyday objects you probably have in your own home.

**Reliable**

Our structures are reliable year after year. We have added UV additives to prevent deterioration from the sun, but also our vandal resistant lumber is designed to prevent rotting and splinters for a minimum of 15 years. Our warranty is one of the best in the recreational products industry.

**Recreation**

We create a product that celebrates recreation! As a Superior product, we use the knowledge gained from our 25 years of manufacturing experience in every recreation space to create an environment that is built for fun, quality, and safety. Products are enjoyed from ages 6 months and can be designed for any budget!

**Phase One**  
 Capacity: 36  
 Size: 38' x 15'

**Phase Two**  
 Total Capacity: 68  
 Phase 1 + 2 Size: 38' x 26'

**Completed Structure**  
 Capacity: 82  
 Size: 38' x 35'

**Phase Three**  
 Total Capacity: 82  
 Phase 1 + 2 + 3 Size: 38' x 35'

**Why is phasing beneficial to you?**

A small segment of your playground is installed at a time allowing facilities that have limited funds to satisfy their immediate play needs while keeping their larger playground goals well within reach. Structures can be developed in as many phases as needed to accommodate your budget.

• BUDGET •

# Breakdown

While every playground project is different, each of our steel playground clients can anticipate certain costs while planning for their new playground. Check out this great diagram to answer the age-old question, "What should I budget for?"

## Crane Elementary

CRANE, TEXAS  
SOLD BY: PLAYGROUNDS, ETC.

PS5-30835 \$70,511

Studies show children need play. At Crane Elementary, teachers love letting students out for recess on this playground for **5-12 year olds**. The students like engaging with other children on the **swings** and several **play panels**. Children develop hand-eye coordination on the **climbers** and **overhead events**. After recess, the students are ready to focus on their coursework.

## Episcopal Children's Services

JACKSONVILLE, FLA.  
 SOLD BY: SOUTHERN RECREATION

This playground, located in Jacksonville, Fla., is a great example for age-appropriate play for children **2-5 years old**. Little ones can play the piano on the **interactive music panel**. Children can drive from the **steering wheel** on the top deck, and learn to spell from the **spelling panel**. From physical to musical to dramatic play, this environment packs a big punch in a small space.

This overall design concept features two recycled “dueling” ships (second ship not pictured), which is a unique element that no other community has. Moreover, this play environment has an extensive drainage system that keeps the play area high and dry. Members of the Palencia community as well as the adjoining school, Palencia Elementary, use the playground daily.

# Ages 6-23 Months

## DEVELOP. LEARN. GROW.

Check out our play structures for children ages 6-23 months. They are perfect for pre-toddlers because they help younger children grow, learn, and develop through play. All of our structures are created from high quality materials for long-lasting durability. These structures are available in 3.5 and 5 inch posts to accommodate larger capacities.

**Infant Play Centers**

Infants need safe places to crawl without the worry of being interrupted by older children. For this reason, SRP has created infant gazebos, activity centers, and exploratoriums. Models can be outfitted with our unique slide-in gate to provide caregivers the option of keeping infants inside or allowing them to venture out.

## Infant Panels

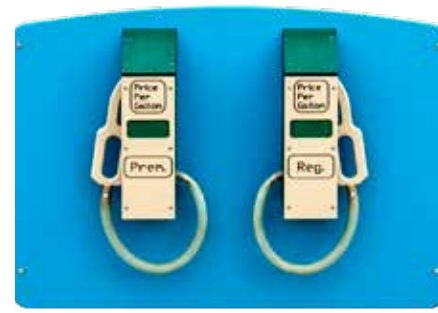

At such a young age, even the smallest play events can strengthen hand-eye coordination and motor skills. SRP's infant panels do just that, whether it's working through a maze, making noise by spinning a cylinder, or feeling different textures.

**Bell Striker**  
Bells chime when the knobs are moved.

**Circle Entry**  
Perfect entry and exit point for infant play structures.

**Gas Pump**  
Ignite their imagination with this dramatic play element.

**Chime**  
Play a melody with the mallet on this panel.

**Peek-a-Boo**  
Rotate the spinning blocks to hide or reveal a playmate.

**Finger Maze**  
In-set line can be traced with the finger to complete the maze.

**Textures**  
Add to the overall play experience with tactile play.

**Mirror**  
Teach children self awareness.

**Sound Cylinder**  
Give the Sound Cylinder a spin to make some sounds.

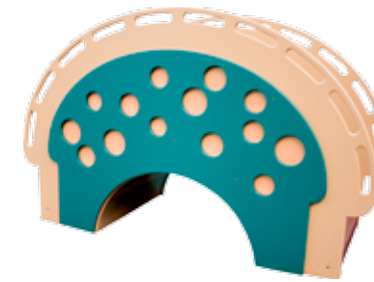

## Decks and Independent Events

Pre-toddlers and toddlers change so fast. While some appear ready to climb, others do not. Along with our structures, we provide the additional toddler activities you see below in order to meet a variety of developmental stages.

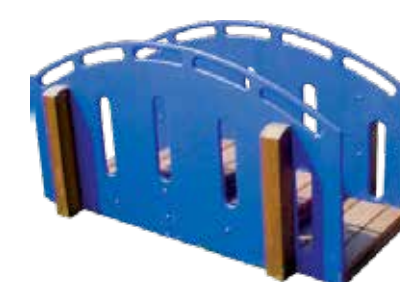

6-23 Months

## Infant Decks

**Mushroom Tunnel** \$4,131  
Allowing toddlers to climb or crawl under, the Mushroom Tunnel is a great addition to any play environment.  
Use Zone: 60" x 27" x 40"  
Item #: 49212

**Toddler Step Deck** \$3,411  
Satisfy their need to climb with this toddler step deck! The deck is big enough for more than one child to enjoy.  
Use Zone: 215" x 72" x 56"  
Item #: 49211

**Step Activity Center** \$4,366  
Toddlers can step onto a deck of fun with this activity center with a Sound Cylinder, Bead, and Mirror Panels.  
Use Zone: 69" x 34" x 37"  
Item #: 49216

## Infant Independent Events

**Sunshine Mountain** \$1,021  
Available in any plastic color; see p. 164  
Item #: 00186

**Stack Blocks**  
**Starter** \$779  
Includes 12 single, 3 double, and 3 corner blocks  
Item #: 00028100

**Mega** \$2,333  
Includes 36 single, 9 double, and 9 corner blocks  
Item #: 00028200

# Components

## MODULAR PLAY ELEMENTS

Components set the foundation for a great playground. We have plenty of modular play elements that you can add to any play structure to inspire fun, adventure, and a lifetime of memories.

# Slides

The variety of slides we offer gives children of all ages appropriate sliding options. All of our molded slides are made with double wall construction for strength. They can be used on structures at the deck heights shown. Color options on p. 164 unless otherwise noted below.

**Chute**  
Deck height options: 36" - 96"

**Chute Curve**  
Deck height options: 60" - 96"  
Options: Left or right curve option

**Alpine Thunder**  
Deck height options: 72"  
Color options: Red, Tan, Yellow, Blue, Green

**Double Wide**  
Deck height options: 36"

**Double Wall**  
Deck height options: 24" - 60"

**Wave**  
Deck height options: 48" - 72"

**Double Wave Chute**  
Deck height options: 84"

**Wave Chute**  
Deck height options: 60" - 96"

**Wave Chute Curve**  
Deck height options: 84" - 96"  
Options: Left or right curve option

**Triple Rail**  
Deck height options: 36" - 60"

**90° Curve**  
Deck height options: 36", 48"  
Options: Left or right curve option

**360° Spiral**  
Deck height options: 72"

**Tube Slides**

**360° Spiral**  
Deck height options: 72" – 96"  
Options: Window optional (not standard)

**Turn**  
Deck height options: 24" – 96"  
Options: Left or right option

**Zig-Zag**  
Deck height options: 48" – 96"  
Options: Left or right option

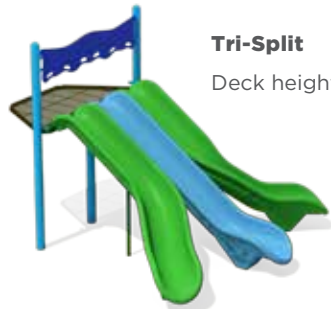

**Straight**  
Deck height options: 24" – 96"

**Slide Run-Out**  
Hardware not included  
Item number: RMP-0017XX

**Triple Chute Slides**

Select a configuration below, or create your own tri-split chute slide.

**Tri-Split**  
Deck height options: 60" – 96"

**Straight**  
Deck height options: 60" – 96"

**Two Straight**  
Deck height options: 60" – 96"

**Tunnels**

It's no secret that children love to crawl through tubes and make believe they are tunneling their way to a world of fantastic fun and adventure, so be sure to include one of our tunnels in your playground!

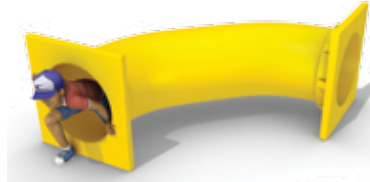

**30° Curved Crawl**

**45° Curved Crawl**

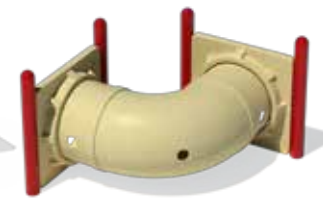

**60° Curved Crawl**

**90° Curved Crawl**

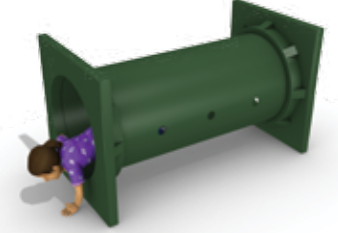

**180° Crawl with Window**

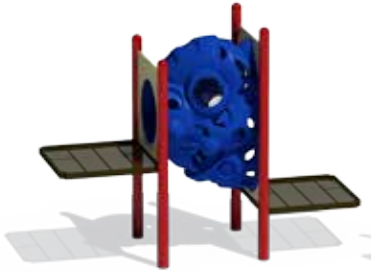

**Quarter Circle Crawl**

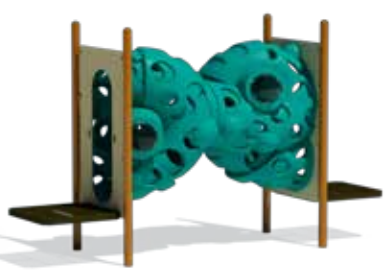

**Zig-Zag Crawl**  
Left or right. Offsets two decks of same height by 24".

**Straight Crawl**  
Connects two decks at same height. Length is shown in your custom playground planviews.

**Bubble Tunnel 1**  
Connects two decks at 24". Not ADA compliant.

**Bubble Tunnel 2**  
Connects two decks at same height.

**Inclined Crawl**  
Connects two decks at 6", 12", or 24" height increments.

**Wavy Crawl**  
Connects two decks of same height.

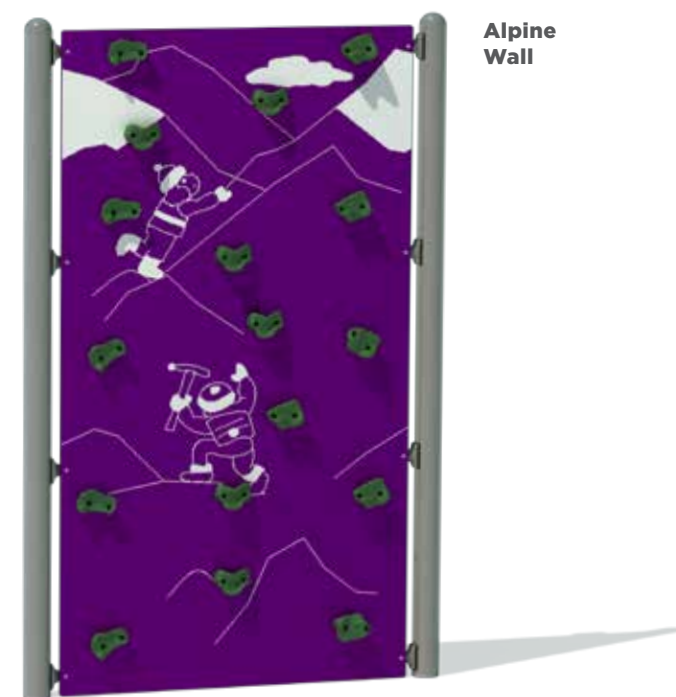

Tree  
p. 104

## Climbers

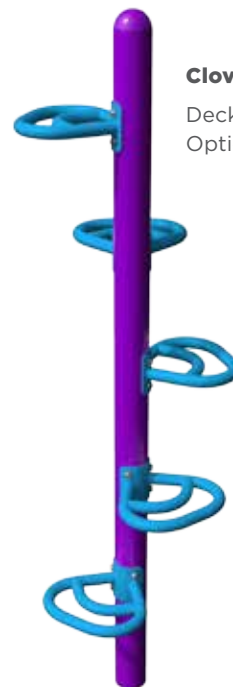

Keep children engaged longer by adding various climbers to your play structure. Our unique climbers go above and beyond to engage various targeted muscle groups. Gates are included with all climbers.

## LINK CONNECTORS 2 Configurations

Each design below is available in three configurations: diagonal, straight, and inclined.

Wave Link

Shown as inclined.

Bubble Link

Shown as a diagonal.

## Connectors & Bridges

### 90° Bridge

Constructed from 12 gauge hot-rolled punched steel. Galvanized steel guard rails with a powder coated finish. Use between decks of equal height. Compatible with 48" and 36" grids. Deck height options: 12" - 96".

### Ground Level Arch

Use this ground level arch bridge as a freestanding play event for climbing and crawling or in a trike track path.

### Suspension

One-piece bridge, constructed from 12 gauge hot-rolled punched steel. Galvanized steel guard rails with a powder coat finish. Use between two equal deck heights. Deck height options: 12" - 96".

### Lily Pad

Steps are constructed of durable HDPE plastic panel with a texture finish for traction. Galvanized steel frame with a powder coat finish. Use between two equal deck heights. Also available as ground-to-deck. Deck height options: 12" - 48".

### Challenge

Constructed of durable polyethylene with a textured finish for traction. Galvanized steel frame with powder coat finish. Use between two equal deck heights. Deck height options: 12" - 30".

### Inch Worm

Steps are constructed of durable polyethylene with a textured finish for traction. Galvanized steel frame with a powder coat finish. Use between two equal deck heights. Also available as ground-to-deck. Deck height options: 12".

## Stairs & Ramps

All stairs are available as ground-to-deck or deck-to-deck units. Stairs are made from 12 gauge hot-rolled punched steel. Additional features include treads and stringers, perforated surface, handrails, gates and barriers, round steel tube, and powder coating. You can also make your play structure ADA accessible with an ADA Ramp or Transfer Station.

### 12" Transition Arch

Not ADA compliant.

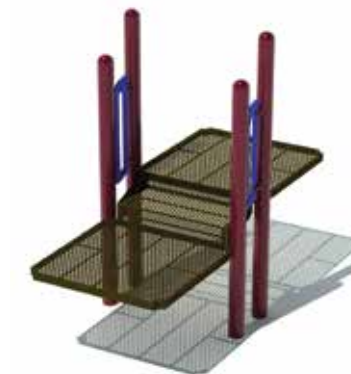

### ADA Ramp

Length options: 4', 6', and 8' can be deck-to-deck or ground-to-deck. Available with barriers or handrails.

### Single Step

Deck height options: 12" and 16".

### ADA Transition Stair

Deck height options: 12", 16", 24", and 36" height increments.

### Vertical Panel Ladder

Deck height options: 16", 18", 24", 36", and 48".

### Deck-to-Deck Stairs

Available in 21" and 33" increments. Available ADA height options: 12", 16", 24", and 36".

### Ground-to-Deck Stairs

Deck height options: 24", 36", 48", 60", 72", and 96".

### ADA Transfer Station

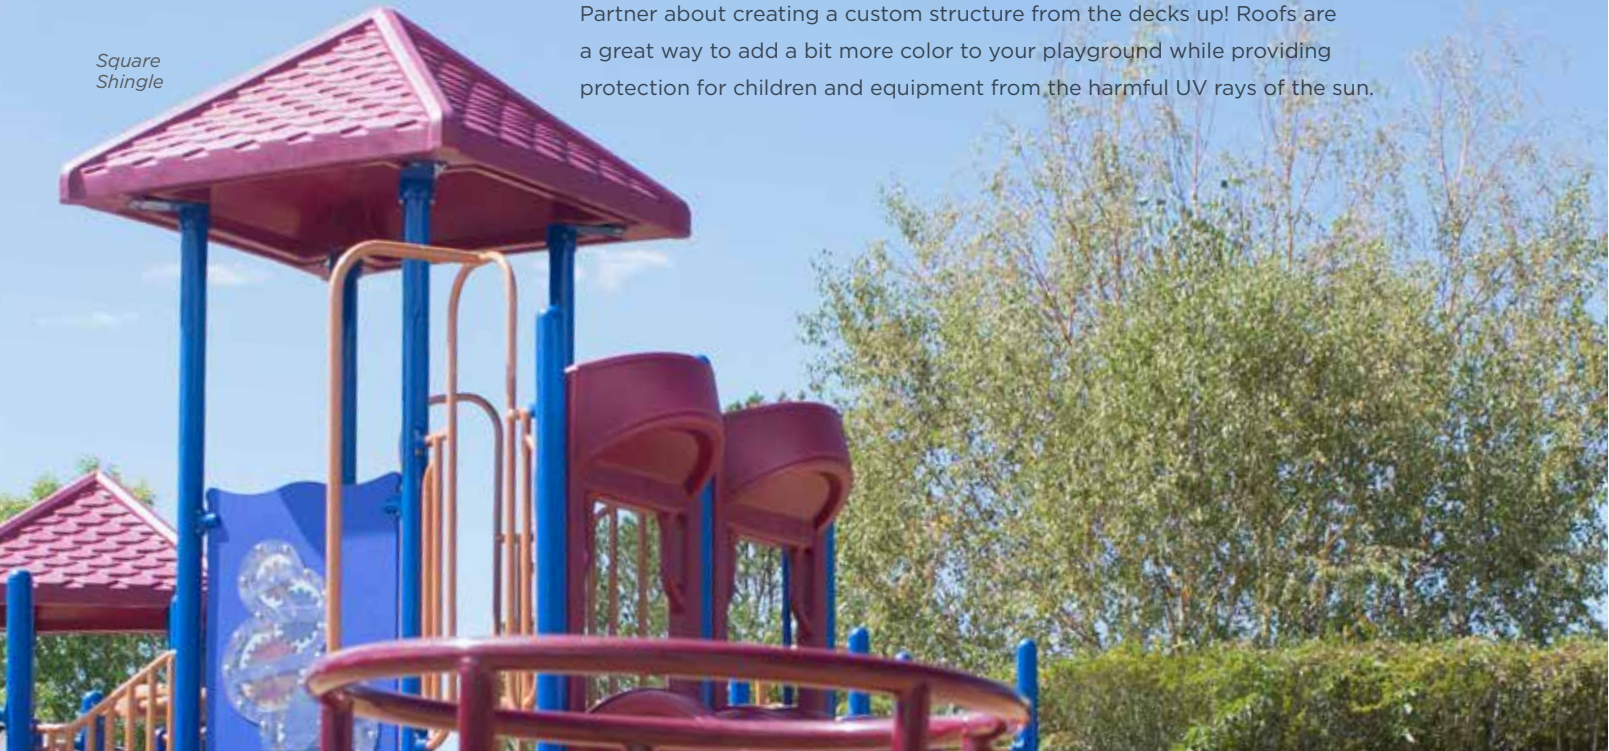

Left or right turn. Deck height options: 36" and 48".

## Roofs & Decks

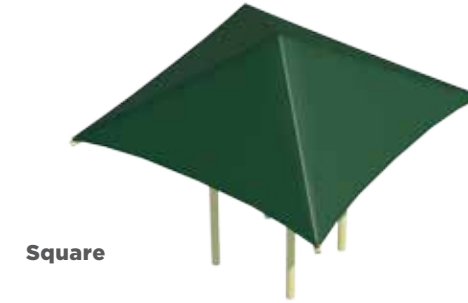

Decks and roofs can define a play structure. Combining different deck styles can allow you to create a unique play experience. Talk to your SRP Certified Partner about creating a custom structure from the decks up! Roofs are a great way to add a bit more color to your playground while providing protection for children and equipment from the harmful UV rays of the sun.

## Motion Play

Spring toys are valuable additions to play when grouped in clusters to encourage social play. We recommend motion play toys to be purchased in pairs or triplets. These spring riders are constructed of the same high quality dense polyethylene sheet used to make the activity panels for SRP's modular systems. They feature a common use zone of 17' x 17' unless otherwise noted below.

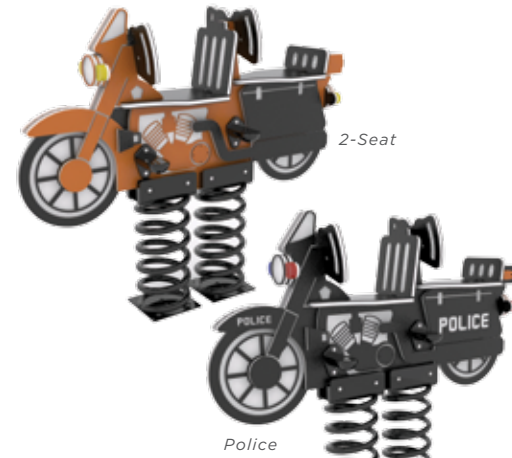

**Tanker Truck** \$6,824

Use Zone: 26' x 26'

6' Bench	B6WBUL(?)-(!)	\$378
32 Gallon Receptacle	TR32-(%)-LNR-(!)	\$373

### Custom Amenities

Description	Item Number	MSRP
6' Bench	B6WBCLASSIC-CUST-DP	\$1,031
32 Gallon Receptacle	TR32AVEPERF-(%)-LNR-CUST-DP	\$582

Bench is portable and pre-drilled with holes for optional surface mounting. A one-time \$100 logo set-up fee applies to custom amenities.

### To order amenities:

(?) = Mounting options. Add the correct suffix to the (?) in each product number using this key: **P = PORTABLE S = INGROUND SM = SURFACE**

(!) = Logo option. Add the correct suffix of **PAWS** or **BONES** to the (!) in each product number.

(%) = Dome top options. Add the correct suffix to the (%) in each product number using this key: **PD = PLASTIC DOME SD = STEEL DOME**

Optional colored backplate can be added to amenities. Add \$50 per bench and \$25 per trash receptacle.

## Playground Surfacing

The surface around playground equipment is a critical aspect of play environment. Since safety is our first concern, we recommend only surface materials that have proven track records — not just at the time of installation but over several years and conditions. **Rubber surfacing products we offer don't contain contaminants that are harmful to children.**

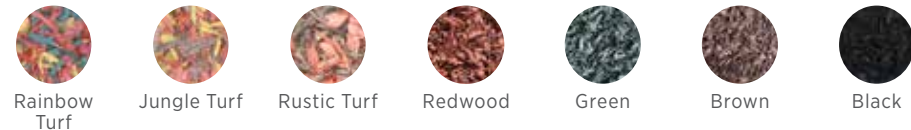

### Engineered Wood Fiber

- Most economical (initially)
- ADA Compliant
- Locally sourced (actual content varies)
- Superior drainage bases recommended to protect your investment

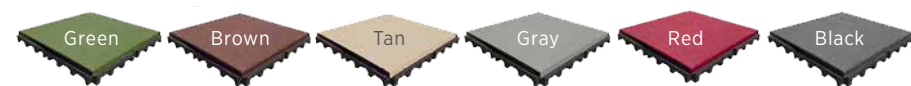

### Loose Fill Recycled Rubber Mulch

- Non-porous to benefit soil moisture and reduce fungus growth
- ADA Compliant
- Drainage bases are recommended to protect your investment

### Rubber Tiles

- Low maintenance
- Best wheelchair access
- Available in various thicknesses
- Available in 2' x 2' squares

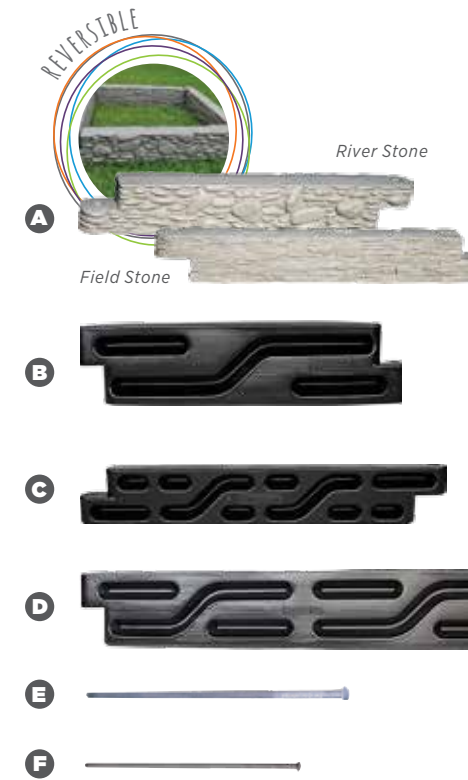

### Poured in Place (PIP)

- Low maintenance
- Best wheelchair access
- Ability to add graphics or designs
- More colors available, ask for more information

## Timbers & ADA Ramps

Superior's durable, safe, and easy install-timbers are designed to surround loose-fill surfacing. These timbers are made from HDPE plastic and used to enhance the look of playgrounds without compromising children's safety. Need to meet ADA compliances? We're here to help! Our ADA access ramps are fabricated with the same quality HDPE plastic as the timbers. Additional details for the ramps are listed below.

### Timbers

	Description	Details	Item Number	MSRP Ea.

## Quality, Standards and Guidelines

### American Society for Testing and Materials

The American Society for Testing and Materials is an independent and world renowned developer of technical standards utilized in testing a multitude of products. ASTM's F15.29 committee, met consistently for over a decade in the continual development of the F1487 Standard Consumer Safety Performance Specifications for Playground Equipment for Public Use. The current version is F1487-11, published in 2011.

### Access Board (ADAAG)

Guidance Available on Play Area Guidelines: <http://www.access-board.gov/news/playguide.htm>

Access Board (The United States Architectural and Transportation Barriers Compliance Board) has completed Accessibility Guidelines for Play Facilities as set forth in the Americans with Disabilities Act of 1990. The Final Report of the Regulatory Negotiation Committee is available via the Internet.

IPEMA™

In the interest of playground safety, the International Play Equipment Manufacturers Association (IPEMA) provides a Third Party Certification Service whereby a designated independent laboratory, TÜV SÜD America Inc., (TÜV), validates an equipment manufacturer's certification of conformance to the ASTM F1487 Standard Consumer Safety Performance Specification for Playground Equipment for Public Use, except sections 7.1.1, 10 & 12.6.1; to CAN/CSA Z614 Children's Playspaces and Equipment, except clauses 9.8, 10 and 11; or both. A list of current validated products may be viewed at [www.ipema.org](http://www.ipema.org).

### U.S. Consumer Safety Product Commission

Handbook for Public Playground Safety: <http://www.cpsc.gov/cpscpub/pubs/325.pdf>

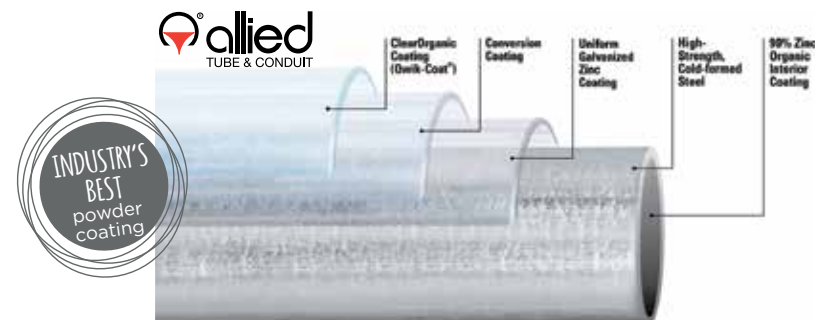

## How We Are Exceeding Industry Standards

### To ensure the safe play of your children, we offer:

- 110 years of combined playground manufacturing experience
- Quality control inspection on all parts and shipments
- In-house production of most products and made in the USA
- All products must pass inspection in our IPEMA Certified in-house testing facility
- Network of top-quality SRP Certified Partners
- Local field factory trained installation technicians
- All products meet or exceed CPSC, ASTM and ADA Safety Guidelines
- On-staff NPSI and CPSI Certified employees
- Quality designed products
- Clean, "no clamp, no clutter" look
- Direct connect component attachment system

- Constructed from Allied heavy wall galvanized steel tubing in the industry. Allied's patented Flo-Coat® process uses the triple-coat corrosion protection. This triple layer protection (zinc, conversion coating and clear organic topcoat) provides a smooth, shiny product appearance that is unmatched in terms of strength and durability and up to 25% more.

Ask your SRP Certified Partner if you have any questions. More information can be found on our website, [srpplayground.com](http://srpplayground.com).

## Superior Warranty

### Our warranty guarantees years of unlimited fun!

- **Lifetime\*** warranty on steel posts, all stainless steel hardware, component clamps and aluminum post caps
- **25 Year** Limited warranty on recycled posts
- **15 Year** Limited warranty on pipes, rungs, loops and rails, roto-molded plastics, HDPE plastic sheets, punched steel decks
- **10 Year** Limited warranty on Shade fabric
- **5 Year** Limited warranty on Site Amenities, cables and nets
- **3 Year** Limited warranty on "The Original KidCenter™"
- **1 Year** Limited warranty on moving parts, materials not covered above

\* For the purpose of this warranty, lifetime encompasses no specific term of years, but rather that seller warrants to its original customer for as long as the original customer owns the product and uses the product for its intended purpose that the product and all parts will be free from defects in materials and manufacturing workmanship. This warranty does not cover damage caused by vandalism, misuse or abuse, altered or modified parts, or cosmetic damage such as scratches, dents, or fading or weathering and normal wear and tear. This warranty is valid only if the structures are installed in conformity with instructions provided by Superior Recreational Products using approved Superior Recreational Products parts. Superior Recreational Products will deliver the repaired or replacement part or parts to the site free of charge, but will not be responsible for labor or the labor costs of replacement. Warranty claims must be filed within the applicable warranty period and accompanied by a sales order or invoice number.

**Stainless Steel Series Powered by Playdale Playgrounds:** Playdale Playgrounds warrants its products to the original customer to be free from structural failure due to defect in materials or workmanship during normal use and installation in accordance with the published specifications. The warranty shall commence on the date of the invoice and terminate at the end of the period on the full warranty statement. The warranty is valid only if the products are installed properly and in conformance of the specifications, installation guides, Playdale Playgrounds design layout, and properly maintained in accordance with the maintenance schedule provided within the installation instructions.

Playdale Playgrounds reserves the right to accept or reject any claim in whole or in part. Playdale Playgrounds will not accept the return of any product without prior approval by Playdale management.

Warranty Exclusions: This warranty does not cover: cosmetic defects, such as scratches, dents, marring, or fading; damage due to incorrect installation, vandalism, misuse, accident, wear and tear from normal use, exposure to extreme weather; immersion in salt or chlorine water, unauthorized repair or modification, abnormal use, lack of maintenance, or other cause not within Playdale's control. The warranty does not cover damages due to "Acts of God", such as hail, flooding, lightning, tornadoes, sandstorms, earthquakes, mudslides, and windstorms.

## How to Buy

### SRP Certified Partner

Our Certified Partners have extensive knowledge and training in all Superior products. You can also expect for the installation process to be top notch. With the Certified Partner logo, you can trust that you'll be provided with the best customer service and high quality products where you can *play, relax, and live*.

### BuyBoard

BuyBoard is an online purchasing cooperative that gives its customers access to thousands of items that have gone through a competitive procurement process. Members include school districts, cities, counties, universities, other governmental agencies, and non-profit organizations.

### Marlin Leasing

Marlin provides commercial equipment financing. They focus on small and mid-size businesses. Their customers include equipment dealers, manufacturers, distributors and small business establishments.

### TCPN

The Cooperative Purchasing Network simplified the cooperative purchasing process as simple as possible. Many of SRP's products are available via this program.

### HGACBuy

SRP has been fully evaluated and approved as a supplier to HGACBuy, which is a government operated purchasing cooperative that any state and local government can use.

## Pricing Policy

All prices are F.O.B. factory and do not include freight, shipping & handling, surfacing, or applicable taxes. All prices listed were current at the time of printing and in U.S. currency. Prices are subject to change without notice.
